Engagement Opportunities

Interactive Access

WEBINARS

MUG offers two options for webinar sponsorship

Sponsor Presentation

A 60-minute live webcast is a great way to educate the MUG member base on your industry expertise. Presentations should be educational in nature and not an advertisement.

Sponsorship Includes:

- Your demo/presentation
- Live Q&A
- Name, logo, hyperlink and session information promoted to all MUG members via email, social and MUGMail
- Session recorded for MUG on-demand access

Support a MUG Webinar

Sponsor name tied to an already planned live webcast. Topic/ content should align/ be applicable.

Sponsorship Includes:

- Your name, logo and hyperlink added to the presentation as a "thanks for our sponsor."
- Opportunity to speak for 3-5 minutes at the start or end of the presentation
- Name, logo and hyperlink

FOCUS GROUP

Sponsor a live focus group of targeted MUG members for invaluable feedback on your product or service in a moderated discussion setting.

Sponsorship Includes:

- Identification of 8-12 targeted users for a 30-minute discussion
- Hosted by MUG, co-facilitated with sponsor
- Opportunity for a pre or post survey and handout distribution

Year-Round Access & Brand Awareness

“Brightmetrics has worked with the Mitel User Group over the years for both webinars and their annual Virtual Events. MUG’s events are always well done, with timely communication, ample time to prepare, and the ability ask questions throughout the process. MUG’s understanding of their audience has helped us immensely in tailoring our message to the community where we’ve seen positive ROI from our event sponsorships. Each year, with these events, we continue to build and grow our database with Mitel prospects we know can benefit from our products.
